## DETAILED ACTION

This application is a Divisional of 08/948,893, 10/10/1997, which claims benefit of 60/039,275, 02/28/1997.

1. The following is an examiner's statement of reasons for allowance:

The prior art of record, i.e. Roads (6,760,463 B2), Roads (6,522,769 B1), Roads (6, 442, 285 B2), and Stefick (6,233,684 B1), found upon performing a prior-art search, fails to teach the subject matter of the application with a priority date preceding that of the application's domestic priority document, 02/28/1997. The prior arts teach a system that controls the distribution and use of digital documents comprising a usage right determination device (Stefick 6,233,684 B1), a usage right association device that associates the usage right (Stefick 6,233,684 B1), the digital document and a rendering right where the watermark information including information relating to the rendering of the digital document (Stefick 6,233,684 B1), an information storage media comprising information that controls the distribution and use of digital documentation comprising information that determines the usage right & information that associates the usage right (Stefick 6,233,684 B1), the digital document and a rendering right where the rendering right governs rendering of the digital document including information that embeds watermark information (Stefick 6,233,684 B1), and the watermark information including information relating to the rendering of the digital document (Stefick 6,233,684 B1). The prior art does not have a priority date preceding that of the application, thus they cannot be used to reject the application. Consequently, claims 23, 34, and 45 are allowable

over the prior arts of record. Claims 24-33, 35-44, and 46-55 are directly or indirectly dependent upon claim 1 and therefore are also allowable over the prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
